**PestEx** the pest  
management show

A photograph of two men at a trade show booth. The man on the left, wearing a light blue shirt and glasses, is holding a Mesto sprayer tank. The man on the right, wearing a striped shirt and glasses, is holding the spray wand. They are both smiling and looking at each other. The sprayer tank is silver and black, with 'MESTO' and '7.5 L' printed on it. The background shows a trade show environment with other equipment and a yellow wall.

## Connecting you with the pest control community.

Reach your target market in one go at the UK's largest pest control exhibition.

Professional pest control and know-how are in great demand; but, with the speed of technological change, an international forum is vital for our industry to discover new ideas and to source the latest advances and find the latest products in our sector.

[www.pestex.org](http://www.pestex.org)

PestEx is that forum, and attracts in excess of 2,500 attendees from around the world.

### What do I get if I exhibit at PestEx 2019?

As well as your stand space and access to pest management professionals from around the world, you'll get:

- Entry in the printed show guide, including company logo, given to all visitors on registration
- Stand listing, including company logo, on exhibition website pages
- One data scanner for collecting visitors data (new for 2019)
- Opportunity to send invitations to existing and prospective customers
- A press release about what you'll be exhibiting on the PestEx and BPCA websites (as per editorial guidelines).

### Why exhibit with BPCA?

British Pest Control Association (BPCA) is the UK's leading trade association for pest control.

We bring together all of the key players in the pest management industry under one roof.

We're the UK's largest pest control association representing 700 member companies and communicating with 3,000 Affiliates.

Our events are promoted in all the pest control industry magazines, as well as lots of associated sectors.

You'll never have the opportunity to showcase your products or promote awareness of your brand to more members of the pest management sector than at a BPCA event.
